### Regents Examinations - NYSED

Since there's no guessing penalty on the Algebra 1 Regents exam, you should put down an answer for every question, even if you're completely stumped as to how to solve it. With the multiple-choice questions, use the process of elimination first to see if you can whittle down the number of answer choices to three or even two, thereby raising your chances of getting the correct answer from 25% to 33% or 50%.

**JMAP HOME - Free resources for Algebra I, Geometry ...**

Used this book to help my nephew pass his Regents exams. Very thorough and helpful. I preferred the book opposed to online study kits, because we could write notes right on the pages and highlight things, and it was easy to access and flip through to look back and forth between the questions and answers.
