If you own an Allis-Chalmers tractor, then you probably have some problems trying to fix or maintain your tractor properly. After all, Allis-Chalmers produced tractors and other agricultural implements from 1914 to 1985 only, which means that even the most recent Allis-Chalmers tractors came out when the current generation of farmers were still teenagers.

I just bought an Allis Chalmers F50-24 forklift for a spare in my shop. Probably won't use it more than 20 hours a year but I need a backup for another old one. I would like to know what it weighs and where on the net I can find the specs for it. Also interested in parts availability and any info on things to be concerned about on this model ...
