Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Surely George Washington was able to convince them that Freedom was/is worth the price. Bear in mind, also, Washington had to fight his "rag tag government", (I use that loosely), to give him more money to continue the fight, even though some were skeptical about victory. He did receive the additional funds.
