How Do I Prepare for the ETS Major Field Test? - Computer ...

So I didn't study much, but I am in senior year of a bio major so I had studied a lot of it in the past. I thought the material was much more specific than the MCAT, and seemed to focus on only a few subjects (plants were big on the test I took). I felt like I was doing poorly throughout the test, but I ended up scoring in the 98th percentile.

ETS Biology Major Field Test : premed
