Black Hills Dan Simmons

Dan Simmons shows his genius as a writer and researcher yet again in his 2010 novel "Black Hills." As told from the view point of Paha Sapa, a Lakota indian, who takes on the dying soul of General Custer, it journeys through the planning, sculpting, and lost funding of Mount Rushmore.

Black Hills by Dan Simmons - Goodreads

Ninety percent of Black Hills is great. Simmons is a good enough writer to keep the Paha Saha/Custer-sharing-a-body concept from slipping into slapstick or parody like an Old West version of the Steve Martin/Lily Tomlin comedy "All of Me." He's also a good enough writer to hold my interest as the plot jumps back and forth in time.
