Brewing Justice Fair Trade Coffee

"Brewing Justice is not just a study of fair trade coffee. It also provides alternatives to the unfair rules of trade imposed by the WTO. And it shows that we can all play a role in shaping the economy. Drinking coffee is a political act."—Vandana Shiva, author of Earth Democracy

Brewing Justice: Fair Trade Coffee, Sustainability, and ...

Based on extensive research in Zapotec indigenous communities in Oaxaca, Brewing Justice follows the members of the cooperative Michiza, whose organic coffee is sold on the international fair-trade market, and compares them to conventional farming families in the same region. The book carries readers into the lives of coffee-producer households and communities, offering a nuanced analysis of fair trade's effects on everyday life and the limits of its impact.
