### Cantonese Grammar Workbook

This is the one book on Cantonese grammar that every learner of the language should probably buy in addition to their main textbook. Unfortunately, many of the current textbooks on Cantonese, including very good ones such as Baker&Ho, seem to try to avoid grammar at all costs, maybe in order to get people to start speaking as quickly as possible.

### Basic Cantonese: A Grammar and Workbook - Virginia Yip ...

Cantonese is an analytic language in which the arrangement of words in a sentence is important to its meaning. A basic sentence is in the form of SVO, i.e. a subject is followed by a verb then by an object, though this order is often violated because Cantonese is a Topic-prominent language. Unlike synthetic languages, seldom do words indicate time, gender and number by inflection. Instead, these concepts are expressed through adverbs, aspect markers, and particles, or are deduced from the contex
