After 20 minutes I will lift out the carrot and parsnip pieces, cut them into cubes and use them in the finished soup. I made this soup about 4 times this past  
winter because it was so good. Slow  
cooking with the bone in the chicken  
adds so much flavor. I added /  
substituted some of the ingredients on  
more than one occasion (e.g., added  
mushrooms one time, parsnips another  
time, used onions instead of leeks yet  
another time), Regardless of these  
changes, the soup still turned out  
excellent.
