Love Dog / 愛犬 - The Doujinshi & Manga Lexicon

Depictions of sex and abnormal sex can be traced back through the ages, predating the term "hentai". Shunga, a Japanese term for erotic art, is thought to have existed in some form since the Heian period. From the 16th to the 19th centuries, shunga works were suppressed by shōguns. A well-known example is *The Dream of the Fisherman's Wife*, which depicts a woman being stimulated by two octopuses.
