Verb Collocations! In the English language, collocation refers to a natural combination of words that are closely affiliated with each other. Some examples of verb collocations are “pay attention”, “fast food”, “make an effort”, and “powerful engine”.

## **Verb Collocations: Most Popular Verb Collocations in ...**

By definition, phrasal verbs are collocations (two or more words that “go together”), but not all collocations are phrasal verbs. We say bread and butter, not butter and bread, so “bread and butter” is a collocation (even though it’s not technically wrong to say “butter and bread”) and should be taught as if it were one word.
