## **Does Service Engine Light Comes**

Service Engine Soon

## Where To Download Does Service Engine Light Comes

Light Meaning. If the 'Service Engine Soon' light comes on, it means that there is a minor problem with the electronics or the engine of your car.

Some manufacturers use them as a check engine light for minor problems. It could also mean that it is time for a scheduled service, such as oil or spark plug replacement.

Some manufacturers only have one indicator

When your Service Engine Soon light turns on, you won't know whether it's because of a P0087 or a completely different issue. The first thing we advise is confirming that it is the 'Service Engine' or 'Check Engine' light. If you're not sure, consult your owner's manual. If it is the engine light, see if the gas cap is to blame.
