The workbook for my Baby Lock Quest Plus was \$80, but I insisted it be included with purchase, after I got the price as low as I could. Honestly, even if the info is very valuable, \$100 is ridiculous. Only a large book made made of special materials should cost \$100.

The slowest serger featured on our list, the American Home, runs at 1,100 stitches per minute. The fastest on our list, the JUKI, can complete 1,500 stitches per minute. Even the best serger will not replace your sewing machine entirely. Although they can do it, most are not great for zippers or buttonholes, and no serger can perform top-stitching.

I haven't seen this particular DVD and workbook but I do have and recommend Nancy Zieman's "Serge With Confidence" You will love your Evolution. It is not hard to learn.
