A style guide or manual of style is a set of standards for the writing, formatting and design of documents. It is often called a style sheet, although that term also has other meanings. The standards can be applied either for general use, or be required usage for an individual publication, a particular organization, or a specific field.

Style guide - Wikipedia

A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents.
