Assessment Chapter Test B
Holt Modern Biology This is one of the most complete and comprehensive textbooks available for regular and honors-level high school biology students. However, this depth of content is also its downside in many ways. The material covered in this textbook cannot be adequately covered in a single year of biology.

Holt Rinehart and Winston | LibraryThing
I've taught 9th grade general biology using the Holt Biology text, 11th grade low-level biology using the Miller and Levine "macaw" book, and an introductory course for a community college using Campbell Biology. The course I use currently is a blend of all these. The resources are appropriate for all levels with a little adapting as needed.
