Land Rover Rdiscovery Engine Number

Land Rover engine numbers . Most older Land Rovers have had at least one engine change in the past. Land Rover engine designs did not change often, but there are a couple of key changes which may not be immediately obvious just looking at an engine, and for which the serial number can be very invaluable.

Land Rover, Range Rover engine numbers - by Glencoyne ...

Info. For many car parts, such as engines and cylinder heads, it is important that you specify the correct motor code on your request. The engine code is usually stamped somewhere into the engine block. The first 4 or 5 letters / numbers usually provide enough technical information for a car parts supplier to find the right engine related car part for you.
