By the end of 1948 most Nationalist forces in Manchuria had been defeated—a prelude to the Nationalists' loss of the entire Chinese mainland to the communists in 1949. The communist rehabilitation of the Manchurian economy began with land reform in 1946, and by the end of 1949 all the lands had been redistributed among the peasants. The power of the landlords was eliminated.

was shaped by three converging ethnic groups: the Chinese, the people collectively known as the Tungus, and the Mongols and Proto-Mongols. The Tungus (from which several groups emerged) were forest and plain dwellers who had a mixed economy of agriculture, fishing, hunting, and livestock breeding.

Manchuria | historical region, China | Britannica

"Manchuria"—variations of which arrived in European languages through Dutch—is a Latinate calque of the Japanese place name Manshū (満洲, "Region of the Manchus"), which dates from the 19th century. The name Manju was invented and given to the Jurchen people by Hong Taiji in 1635 as a new name for their ethnic group; however, the name "Manchuria" was never used by the Manchus or the ...

However, when unrest broke out in the late Ming era, the emperors invited Jurchen/Manchu mercenaries to fight in the civil war. Instead of defending the Ming, the Manchus conquered all of China in 1644. Their new empire, ruled by the Qing Dynasty, would be the last Imperial Chinese Dynasty and lasted until 1911.

Plot Summary - IMDb

Manchurian Incident or Mukden Incident, 1931, confrontation that gave Japan the impetus to set up a puppet government in Manchuria. After the Russo-Japanese War (1904-5), Japan replaced Russia as the dominant foreign power in S Manchuria.

Manchurian Incident | Infoplease

The Manchu dynasty would rule China for more than 250 years and would be the last imperial dynasty in Chinese history. Earlier "foreign" rulers of China had quickly adopted Chinese culture and ruling traditions. This happened to some extent with the Qing rulers as well, but they remained resolutely Manchu in many ways.
