Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Making Learning Whole How Seven

Perkins explains how learning academic subjects should be approached like learning baseball or any game, and he demonstrates this with seven principles for making learning whole: from making the game worth playing (emphasizing the importance of motivation to sustained learning), to working on the hard parts (the importance of thoughtful practice), to learning how to learn (developing self-managed learners).

Making Learning Whole : How Seven Principles Teaching Can ...

Making Learning Whole, he says, "is a spiral process that front-loads action and then loops back to reflection and more learning — which is what the core principles recommend for learning anywhere." Seven Principles of Teaching. Why think about little league? Perkins says that in baseball, as in playing an instrument, one learns what it is to play the whole game first, and then to fine tune aspects of it over time. To elaborate on this concept of "learning by wholes," Perkins ...
