Students looking online for the answers to 10.8 in the McDougal Litell practice workbook will not locate them online. They will need to review the material in the textbook.

### McDougal Littell Geometry practice workbook answers

A practice workbook with no answer key is useless. If you want to judge whether you know a topic, and you can't tell if you've done them properly, you really have no sense of where you stand. Also, the workbook sections don't match the current version of the textbook. Not expensive, but a total waste of money.
