The burden which runs with the land is also recognised in Scottish law and it is this type of obligation that runs with the land, independent of whether or not the land passes ownership [1]. This deep-seated principle is fundamental to Scottish property law and is going to be vital in this case as the two farms have passed ownership several ...

Scots property law governs the rules relating to property found in the legal jurisdiction of Scotland. As a hybrid legal system with both common law and civil law heritage, Scots property law is similar, but not identical, to property law in South Africa and the American state of Louisiana. The term 'property' is wide-ranging but in this article, as in Scots law and many other jurisdictions ...

Towards the end of its first parliamentary term, the Scottish Parliament passed the Land Reform (Scotland) Act 2003. This statute sought to broaden access to land in Scotland in two ways: in the sense of liberalising the law relating to outdoor access; and in the sense of giving some communities the right to acquire land in certain circumstances.
