after a replacement for PaperPort. The solution stores your files on your Windows file system and NOT in complex databases.

Software Like Paperport - mitrabagus.com

Cons. What I like least about this software is minimal in comparison to its benefits. However, sometimes there are a few annoyances. For instance when I am scanning a multi-page file there is a status bar that shows something like "Scanning Page 3 of 18" and as each new page scans the status bar updates and takes you to the paperport program.
