Sporting traditions : the journal of the Australian ...

The Society's journal, Sporting Traditions, is a fully refereed journal that promotes the serious study of sport in society. Articles should deal with the economic, political, social, legal or philosophical significance of sporting activity. Whilst most of the articles in the past have been on Australian sport and have an historical focus, articles on other societies and on contemporary sport may be submitted for consideration.

Another explanation of Australia's sporting passion has to do with the context of sporting participation. In Australian society any game is open to anyone at any time. This goes back to the idea that if a person is capable, they can play. In this way sport is not restricted to social classes, races or gender.

The Australian Passion For Sport

Sports Business Journal is an award-winning sports business publication. The industry turns to SBJ

for breaking news, exclusive stories, and insider interviews.

Sports Business Journal

Australian Society for Sports History (ASSH) was formed in July 1983. ... Sporting Traditions is a semi-annual academic journal that has been published since November 1984. The inaugural editor was Wray Vamplew. It includes academic articles and book reviews.

Australian Society for Sports History - Wikipedia

It adopts an inquiry learning approach that develops students' skills in investigating sport in Australian society. Students will engage with a rich selection of sources and be challenged to draw their own conclusions about the role of sport in Australia's culture and history.

Sport and Australian Culture | National Library of Australia

1. Introduction. The media conditions society's vision and understanding of sport. In a certain way, the media provides a narrative that exerts a didactic influence on the concept of sport and physical education [].A conception of the mass media is provided by Hyuk-Lee et al. (2009) [] as sources of information about a recent event, which generate a growing interest.
