Student Council Election Interviews - Part 1

Think back to your first few job interviews. Did you know what to expect or say? Interviewing can be a stressful experience for teens looking for their first job—especially if they have learning and thinking differences. It requires certain skills that may be weak spots, like listening comprehension or focus. Plus, it's unknown territory.

Practice Job Interview Questions for Teens | Prepare Child ...

The most frequently asked "about you" interview questions include: 1. Tell me about yourself. This open-ended invitation often kicks off an interview, so make sure you're prepared with a smart, short response. Interviewers don't want to know your entire life story; think of this as the highlight reel, and keep your response to about one minute.
