### The Mammoth Book Of Quick

The author, Nathan Haselbauer, is the founder and president of The International High I.Q. Society. As far as I know this is the 3rd such book of puzzles he has published, all in recent years. He is not as well known for Mensa type puzzles as some of the others we are familiar with on this side of the "big Pond". By and large the puzzles are of the "Quick" type, and many can be solved in the matter of a couple of minutes. Then, there are others that will take considerably longer. There is not much in ...
