The New Human Rights Movement reveals the critical importance of a unified activism in this direction, through understanding and working to alter the inherent injustice of our current social system. It not only warns against what is in store if we continue to ignore our broken society, but also reveals the positive future possible if we succeed.

## **Home - The New Human Rights Movement, by Peter Joseph**

Peter Joseph's new book, "The New Human Rights Movement", is a thoroughly researched and deeply troubling analysis of the systemic roots of the socioeconomic crisis now facing humanity. It is deeply troubling because the implications and the clarity of the insights he offers lead to an understanding of the magnitude of the problems that humanity must face if we are ever to arrive at a sustainable, peaceful future.
