The Oxford Book of English Verse, created in 1900 by Arthur Quiller Couch and selected anew in 1972 by Helen Gardner, has established itself as the foremost anthology of English poetry: ample in span, liberal in the kinds of poetry presented. This completely fresh selection brings in new poems and poets from all ages, and extends the range by another half century, to include many twentieth century figures not featured before among them Philip Larkin and Samuel Beckett, Thom Gunn and Elaine ...

This is the first of two volumes; it is a comprehensive anthology of English literature with great notes and good introductions to writers and literary periods. Here you can read 'Beowulf' as well as passages from Johnson, Marlow and Shakespeare, but you can also discover lesser known writers like Herbert etc. Absolutely delightful.
