Hitchens wrote introductions to each article he compiled for the book. The main introduction is centered on an unbeliever's point of view, what he is constantly told, "and the errors incurred by religion, since the pre-history of our species, in identifying not just the wrong explanation but the wrong culprit in episodes of nightmarish ignorance

“Owners of dogs will have noticed that, if you provide them with food and water and shelter and affection, they will think you are god. Whereas owners of cats are compelled to realize that, if you provide them with food and water and shelter and affection, they draw the conclusion that they are gods.”.
