### The Protest Psychosis How Schizophrenia

In The Protest Psychosis, psychiatrist and cultural critic Jonathan Metzl tells the shocking story of how schizophrenia became the diagnostic term overwhelmingly applied to African American protesters at Ionia—for political reasons as well as clinical ones. Expertly sifting through a vast array of cultural documents, Metzl shows how associations between schizophrenia and blackness emerged during the tumultuous decades of the 1960s and 1970s—and he provides a cautionary tale of how ...

### The Protest Psychosis: How Schizophrenia Became a Black ...

In The Protest Psychosis, psychiatrist and cultural critic Jonathan Metzl hows how doctors over-diagnosed - and still over-diagnose - black people with schizophrenia. By analyzing archives and oral history interviews from the Ionia psychiatric hospital in Michigan, Metzl reveals how racist people in power portrayed black protestors as mentally ill, in an attempt to medicalize their fight for social justice.
