The Providence of Fire | Brian Staveley | Macmillan

About book The Providence Of Fire (2000) A very good sequel to a very good book. The author has a solid writing style which is mixed with some fairly good world-building; nothing exceptional but it has to be pointed out that the focus is largely on the various conflicts, with the narrative rarely pausing to make time for us to explore the world. This is both Staveley's strength and biggest weakness within the novel.
