LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Racial Economy Of Science

By racial economy Harding means those institutions, assumptions, and practices that are responsible for disproportionately distributing along 'racial' lines the benefits of Western science to the haves and the bad consequences to the have-nots,

THE "RACIAL" ECONOMY of SCIENCE: TOWARD a DEMOCRATIC ...

e Scientific racism, sometimes termed biological racism, is the pseudoscientific belief that empirical evidence exists to support or justify racism (racial discrimination), racial inferiority, or racial superiority. Historically, scientific racism received credence throughout the scientific community, but it is no longer considered scientific.

Journal of Economics, Race, and Policy | Home

Inequality and Covid-19 Systemic racism has contributed to the persistence of race-based gaps that manifest in many different economic indicators. The starkest divides are in measures of household wealth, reflecting centuries of white privilege that have made it particularly difficult for people of color to achieve economic security.
