### The Rings Of Saturn Sebald

The Rings of Saturn is a 1995 novel by the German writer W. G. Sebald. Its first-person narrative arc is the account by a nameless narrator on a walking tour of Suffolk. In addition to describing the places he sees and people he encounters, including translator Michael Hamburger, Sebald discusses various episodes of history and literature, including the introduction of silkworm cultivation to Europe and the writings of Thomas Browne, which attach in some way to the larger text. The book was publ

I haven't read any of Sebald's novels. In fact that's what I had thought I was doing by picking up The Rings of Saturn, which Goodreads has incorrectly categorised as "fiction". The book is in fact a sort of digressional memoir and travel journal, whose meanderings include accounts of history, nature, art and literature, as well as the occasional smattering of philosophy.

### The Rings of Saturn by W.G. Sebald - Goodreads

The Rings of Saturn chronicles a tour across epochs as well as the East Anglian countryside. On his way, the narrator meets lonely eccentrics inhabiting tumble-down mansions, and links them to the natural history of the herring, and a matchstick model of the Temple of Jerusalem.

The Rings of Saturn, just published in English translation, is his most recent book. An earlier work, The Emigrants, appeared in this country two years ago, when it was greeted in almost rapturous fashion. Sebald's subject in The Emigrants --the Holocaust--has long seemed as exhausted as it remains painful.

Early on in W.G. Sebald 's strange and beautiful novel The Rings of Saturn, the erudite narrator (seemingly) offhandedly alludes to Albrecht Dürer's 1514 engraving Melencolia I. Rings is larded with such references, stuffed to the gills with analysis of history and literature and art (and so much more), but the quick allusion to Melencolia I seems a particularly informative way of interpreting-or at least comprehending--Sebald's grand, glorious book.
