The Turkish Deep State State

The deep state is alleged to be a group of influential anti-democratic coalitions within the Turkish political system, composed of high-level elements within the intelligence services, the Turkish military, security agencies, the judiciary, and mafia. For those who believe in its existence, the political agenda of the deep state involves an allegiance to nationalism, corporatism, and state interests. Violence and other means of pressure have historically been employed in a largely covert manner

Deep state in Turkey - Wikipedia

The Turkish Deep State: State Consolidation, Civil ...

A deep state (from Turkish: derin devlet), also known as a state within a state, is a type of governance made up of networks of power operating independently of a state's political leadership in pursuit of their own agenda and goals. In popular usage, the term carries overwhelmingly negative connotations although this does not reflect scholarly understanding.

Deep state - Wikipedia

Mike Lofgren, 66, is a former congressional staffer who wrote the 2016 book, The Deep State. He says the term, as he defined it, is being badly misused by President Trump and his supporters.

The Man Who Popularized The 'Deep State' Doesn't Like The ...

The deep state board staff, of course, has not been very helpful — oops, did I say that?" Yes, he did. And whatever the actual role of the Federal Reserve in the coup attempt against Trump, there is no doubt that some have been sounding warnings about it since at least 1931 — people in a position to know.

Turkey - The Deep State

The origins of the term Deep State are from the secretive Turkish network known as derin devlet. This group was founded in 1923 by Mustafa Kemal Atatürk with the purpose of undertaking clandestine acts to preserve the current governmental structure. These acts included coups and private assassinations of figures who were seen as hostile to the establishment; they were particularly targeted toward the press, communists, Kurds, and other dissenters.

Deep State - Dictionary.com

Turkey's internal deliberations over its supposed deep state at first inspired only a small handful of researchers to look for deep states in other countries. Scholars have used the concept as a jumping-off point for inquiries into a select number of cases, such as the imposition of military rule in
