UK Passports UK long established practice for passports and travel documents to record the holder's place of birth by showing the town of birth only. The place of birth shown on the passport should be the same as the place of birth shown on the birth certificate (that is the town, city, village, hamlet, etc where the individual was born).

Why Place of Birth matters in Passports? - Best Citizenships

Identity and Passport Service: Introduction of ePassports. "The Identity and Passport Service used sound project management techniques and made effective use of technical specialists to ensure the ePassports project was delivered on time and UK ePassports meet international standards. "However, the full security benefits of ePassports will not be realised until UK border control readers are fully upgraded, and it is only then that we will know the impact of this new technology on travellers.
