Why Nations Fail sets out to answer this question, with a compelling and elegantly argued new theory: that it is not down to climate, geography or culture, but because of institutions.

Why Nations Fail: The Origins of Power, Prosperity and ...

Nations fail today because their extractive institutions do not create the incentives to save, invest and innovate. In many cases politicians stifle economic activity because this threatens their power base (the economic elite) – as in Argentina, Colombia and Egypt.

Why Nations Fail: A Summary - ReviseSociology

In Why Nations Fail we illustrated in Chapter 8 how the stateless societies of historical Somalia were unable to generate order let alone economic development. The same is shown about the Nuer and Dinka in Raymond Kelly's great book The Nuer Conquest that documents the 200 year conflict which has taken place between these two stateless ...

—Niall Ferguson, author of

Brilliant and engagingly written, Why Nations Fail answers the question that has stumped the experts for centuries: Why are some nations rich and others poor, divided by wealth and poverty, health and sickness, food and famine? Is it culture, the weather, geography? Perhaps ignorance of what the right policies are? Simply, no. None of these factors is either definitive or destiny.

Summary - Why Nations Fail by Daron Acemoglu and James ...

That is Acemoglu and Robinson's simple yet compelling explanation for why so many countries fail to develop. From the absolutism of the Stuarts to the antebellum South, from Sierra Leone to Colombia, this magisterial work shows how powerful elites rig the rules to benefit themselves at the expense of the many.
