Candlewick press, is an incredibly awesome book that is full of information and fun little fold outs. A great informational text with different chapters on different ideas about wizards, from potions and spells, to magical creatures and pets. My favorite part of this book would have to be the informational text aspects.

Explore (if you dare) the true history of the Fallen Ones — and follow the fate of a 1920s investigator lured by a beauty with violet eyes. Long before the term vampire was born, long before Bram Stoker fictionalized this being's ways, blood-drinking demons were banished to Earth by Michael's host of Angels, or so the Bible describes.
